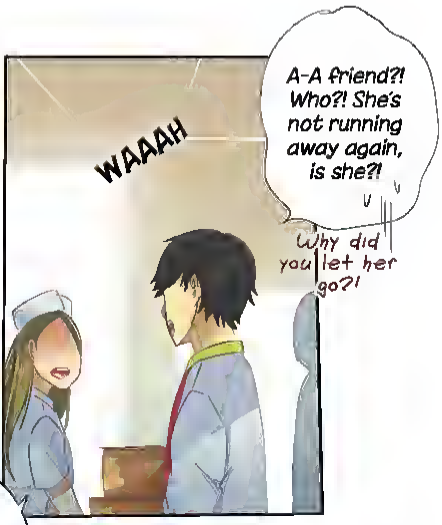
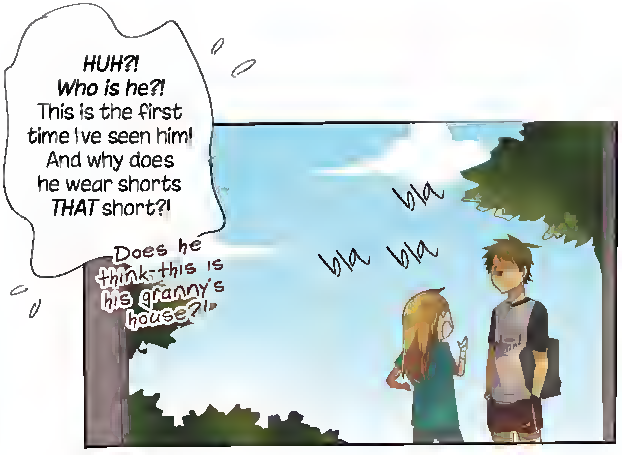
Where's Elvira?

I just checked her room, but she's not there
I just saw her walking towards the fountain
She's got *a friend* visiting her.

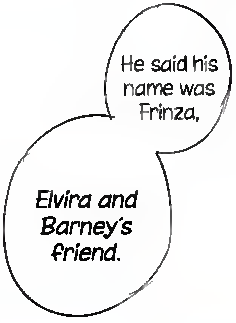


I-I don't know.

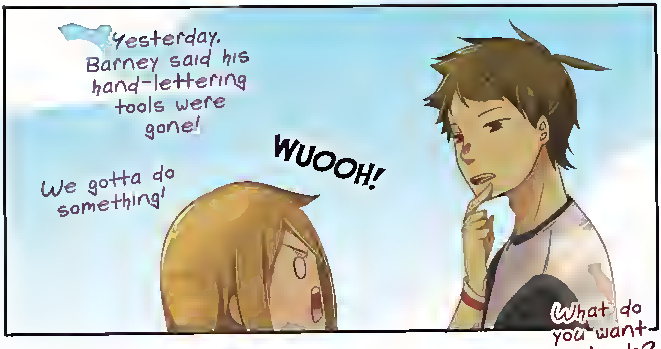
There she is! She's with her friend.



HUH?!
Who is he?!
This is the first time I've seen him!
And why does he wear shorts THAT short?!
Does he think this is his granny's house?!
bla
bla
bla



He said his name was Frinza,
Elvira and Barney's friend.



Yesterday, Barney said his hand-lettering tools were gone!
We gotta do something!
WUOOH!
What do you want me to do?

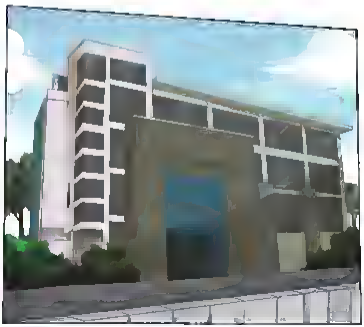
Episode 37: Fairy's Job

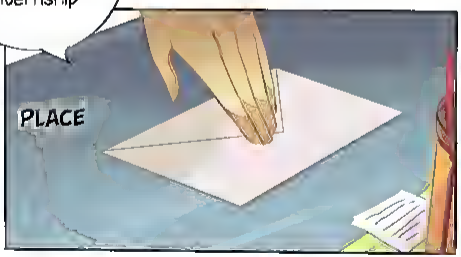
hey elvira... the doctor's letter, I have to give it to Mr Ceklik, right?

elvira, you've woken up, right?



Mr. Ceklik, this is a letter from Sakti Hospital

Elvira will be staying there for a week, therefore, she can't do the internship



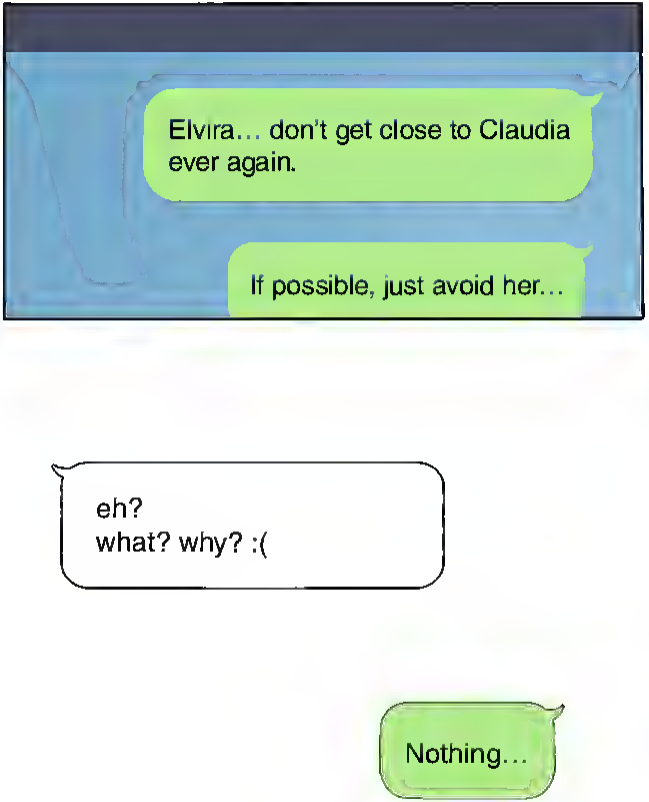
Her doctor said she has to rest for a full week.
That's why, for the internship affairs, please give her some remission.
STEP
Hmm... What to do...

I can't do anything since this is an affair that concerns directly the company.
hmmm
If you want to, you can take the letter to the company, as proof that she is sick and can't do the internship for the time being.

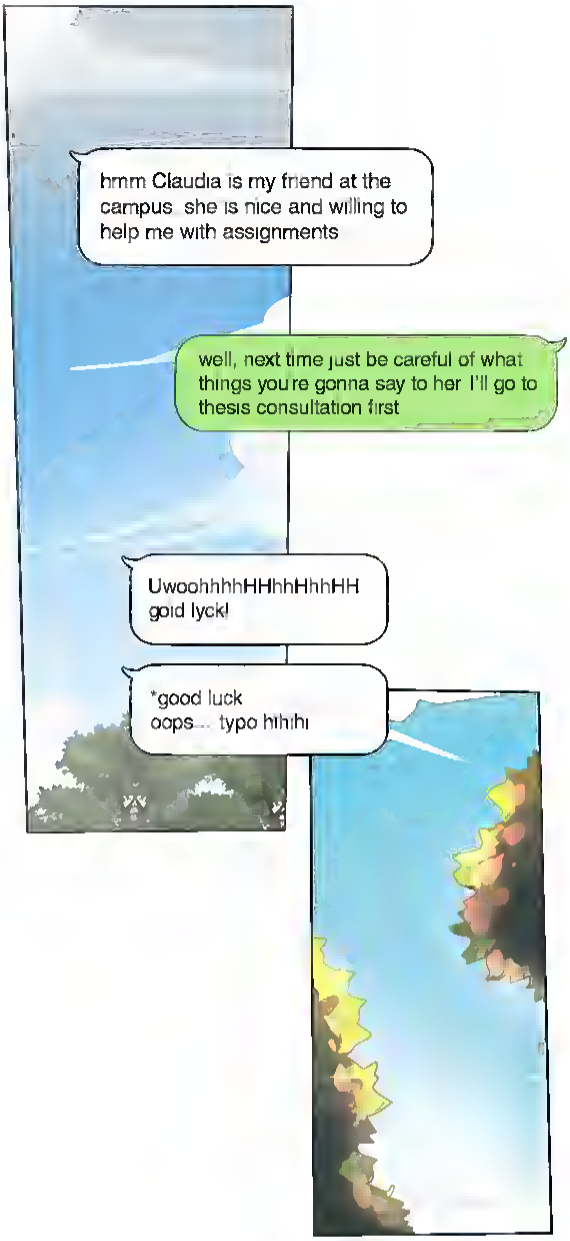
So the rumour about the disease was right?
STANDS
Correct
Her parents have entrusted her to me
If something happened to her, I would contact them too

Wait. So that time when she fainted at the seminar...
...was because of her disease?!
Well... you can say that.
Even though she is a cheerful and vibrant kid...
She is also a diligent student and likes to attend classes too...
haaah
It's sad to hear that she's got only ten months
thump...
Hey! Don't say such a reckless thing!

Oh my!
Th-That-
But sir,
I heard that
from Claudia!
I thought it
was true!
But don't
say it as if
it's going to
happen!
She was the
one who told
Claudia.
I just heard it
from Claudia,
yesterday
thump-



Elvira… don't get close to Claudia ever again.
If possible, just avoid her…
eh?
what? why? :(
Nothing…



hmm Claudia is my friend at the campus. she is nice and willing to help me with assignments
well, next time just be careful of what things you're gonna say to her I'll go to thesis consultation first
UwoohhhhHHhhHhhHH gold lyck!
*good luck
oops... typo hhhh

THUMP
THUMP
THUMP

well actually

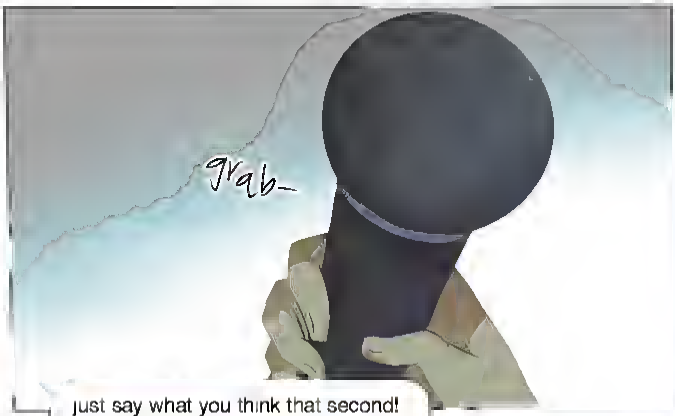
i am not really confident in futsal. i was just joining in because my friends were talking about football all the time

Hereee, you guys sure know about him, right? YESSS, he led your orientation week~ He's part of the futsal club~
Why are you promoting him?! Euuuck
TREVOR
For the girls who don't really know anything about futsal, you can join as our manager too~
You will, right~?

hee??? you really care about what others think about you, eh?
yeah um, idk, I wasn't a bright kid in the past, so it was hard to find friends. the only way I could think of was to follow what they like
WAAA
WAAA
Last year our club's practice schedule was every Monday and Wednesday
WAAA
WAAA
If you want to join, please fill in the form We will adjust the schedule based on your classes schedule!

. . and now everyone thinks I am a football fan but in fact I'm indifferent about it. I'm nervous if I have to persuade the new students to join the futsal club

barney is a great person! despite your pessimistic self, a lot of people adore you and want to be just like you >:D



just say what you think that second! because your words alone are encouragement (especially for me) mwueheheh :D

.....

leaky faucet.

Yeah... so.. we're always giving a chance to people who want to join our club,
Don't feel inferior because you think you can't do sports or the such. We're learning TOGETHER in this club!
WAAA
WAAA
You're pissing me off!
Senior Barney is so cool

FUTSAL CLUB

Uwaaah, so nervous! This is the first time I joined in to demonstrate our club...

For helping us out
STEP
STEP
RUSTLE
Looks like they want to join because of you. Hahaha!

...Nothing like that. It's because they like futsal.
Ahh, you're being modest again! It's so annoying, y'know!
HAHA
HAHA
By the way, my cousin enrolled to this university this year, a girl. She said she likes you!

Hm...
How should I say this? She just asked me to say hello for her
She's a sweet and nice girl
BLAH
BLAH
But– it's okay if I'm doing this, right? Will somebody get mad? Jealous, maybe?
...You don't have a girlfriend yet, right?
Just to make sure

Or maybe you have someone you like?
!

Someone I like?
Eh... hmm, no.
I don't have anybody like that.

elvira
I'm sorry

huh? what's wrong with you? xD
HMMMM~ don't tell me, you're apologising because you forgot to check your locker??

Locker? Huh?
